

5th Sunday of Ordinary Time

In this week's gospel we will hear how Jesus reveals God's love and concern for our well-being along with his readiness to heal our ills and relieve our pain in whatever way he can.

As the gospel reading continues Jesus takes himself off to pray. Jesus knew that it was important for him to spend time each day talking to his Father if he was going to have the spiritual strength to do what his Father had sent him to do. Prayer can help us to recharge our spiritual batteries too!
